

Our sales offices and show apartments are open!

While coronavirus (COVID-19) is still prevalent, we are maintaining a series of measures to protect the safety and wellbeing of both our staff and our visitors.

We have included some guidance below.

We would appreciate if you could follow these guidelines when visiting.

Appointments will be on a strictly pre-arranged basis.

We will be able to accommodate a maximum of two people from the same household at any one time in the sales offices and show apartments.

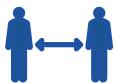

Children or vulnerable visitors may not attend our sales offices and show apartments.

Doors may be opened by the sales team prior to your appointment.

If you have been exposed to Coronavirus and are isolating, or if you are showing symptoms, please do not visit the sales office until it is safe to do so.

We would be grateful if you could remain 2 metres away from the sales team and stand on the floor markings in the sales office.

Hand sanitiser will be positioned close to the door. Upon entering and leaving the sales office you will be required to use the hand sanitiser.

You will be required to wear a face mask during your visit. We ask that you bring your own mask for your appointment.

Don't worry, if you would prefer to contact us virtually, we're still taking appointments over the phone or through a video chat.

Finally, we would like to wish you and your families well during this challenging time.
